MEMORANDUM FOR: Special Assistant to Director of Logistics

SUBJECT : Determination Regarding [REDACTED]

25X1A

1. John, would appreciate your checking again with [REDACTED] to see if we can get a memorandum for the record on the subject contracts. As you will remember these cases were determined not to be [REDACTED] cases. At some later date we may wish to know the basis for these determinations and I think we should have something in the record to cover this aspect.

2. As I recall both determinations were made as a result of a review by [REDACTED]. Would you, therefore, see if we can get a copy of a memorandum for the record to include in our files.
